KINA Payment Gateway Plugin for WooCommerce Ecommerce

Activation

The screenshot shows the WordPress admin dashboard with the 'Plugins' menu item selected in the left sidebar. The 'Plugins' page displays a list of installed plugins. The 'WooCommerce Kinabank Payment Gateway' plugin is listed with the 'Activate' button highlighted. The 'WooCommerce' plugin is also listed and is currently active.

Plugin	Description
Akismet Anti-Spam	Used by millions, Akismet is quite possibly the best way in the world to protect your blog from spam. It keeps your site protected even while you sleep. To get started: activate the Akismet plugin and then go to your Akismet Settings page to set up your API key. Version 4.1.7 By Automattic View details
Hello Dolly	This is not just a plugin, it symbolizes the hope and enthusiasm of an entire generation summed up in two words sung most famously by Louis Armstrong: Hello, Dolly. When activated you will randomly see a lyric from Hello, Dolly in the upper right of your admin screen on every page. Version 1.7.2 By Matt Mullenweg View details
WooCommerce	An eCommerce toolkit that helps you sell anything. Beautifully. Version 4.7.1 By Automattic View details Docs API docs Community support
WooCommerce Kinabank Payment Gateway	WooCommerce Payment Gateway for Kinabank Version 1.3.1 By tkhconsult Visit plugin site
